

PRODUCT SHEET

FARMIGO & PRIVATE LABEL

Partner-produced retail-ready South Indian foods

Farmigo and private-label foods are currently produced through trusted partner production centres. Vaagai Vriksham Ventures coordinates the buyer brief, sourcing, packing requirements and export documentation.

Launch range	10 Farmigo SKUs across sweets, jaggery, turmeric, pappad and millet foods
Farmigo MOQ	50 cartons per SKU, confirmed per order
Languages	English, Tamil, Malay and Chinese pack direction
Private label	Facility, formulation, MOQ and lead time confirmed per programme
Own facility	Future plan; not represented as a current capability

BUYER MUST CONFIRM

- SKU, recipe/specification and allergens
- Pack weight, material, seal and label
- Nutrition, ingredients, barcode and date coding
- Carton configuration and pallet requirement
- Shelf-life basis, samples and requested tests

ORDER-LEVEL CONTROLS

- Confirm production partner and programme capability
- Approve sample/specification and artwork
- Confirm pack, coding and carton configuration
- Arrange agreed testing and pre-dispatch review

REGIONAL / REGULATORY CONTEXT

Farmigo demonstrates the intended shelf-ready format. Exact recipe, production centre, pack, shelf-life support, MOQ and commercial terms are confirmed before production.

FINAL GRADE, PACK, TESTS, DOCUMENTS, AVAILABILITY AND PRICE ARE CONFIRMED PER ORDER.

No halal, organic, non-GMO, laboratory-tested or similar claim applies without a valid certificate or lot-specific report.
