

PRODUCT SHEET

FRESH COCONUT

Tamil Nadu & Kerala | Bulk export planning sheet

Our 20-acre farm grows coconut, with additional quantities sourced to order. Tender, mature, fully husked and semi-husked coconuts require different commercial specifications.

Forms	Tender, mature, fully husked, semi-husked
Origin	Tamil Nadu / Kerala; exact source confirmed per lot
Packing	Mesh bags or export cartons; units and net weight confirmed
MOQ	1 x 20ft FCL, confirmed per order
Shipping	Dry or temperature-controlled plan confirmed for form and route

BUYER MUST CONFIRM

- Intended use and maturity
- Weight, circumference or count band
- Husk level and water/kernel requirement
- Allowed marks, cracks and sprouting
- Pack format, route and destination

ORDER-LEVEL CONTROLS

- Verify form, maturity and visible condition
- Check count/weight against agreed band
- Reject cracked, sprouted or damaged nuts outside tolerance
- Record packing and lot photographs when agreed

REGIONAL / REGULATORY CONTEXT

Owned cultivation provides direct crop experience. Farm output, additional source, weekly volume and shelf life are confirmed before quotation.

FINAL GRADE, PACK, TESTS, DOCUMENTS, AVAILABILITY AND PRICE ARE CONFIRMED PER ORDER.

No halal, organic, non-GMO, laboratory-tested or similar claim applies without a valid certificate or lot-specific report.
