Wheat range	Whole wheat and atta; supplier/lot confirmed
Packing	Bulk or retail bags; material, weight and artwork confirmed
MOQ	Rice typically 1 x 20ft FCL; wheat/atta from 5 MT
Controls	Current APEDA/destination requirements checked per order

BUYER MUST CONFIRM

- Variety, crop year and raw/steam/parboiled form
- Polish, colour and ageing preference
- Broken, moisture and foreign-matter limits
- Grain shape and sortex requirement
- For atta: extraction, fineness, protein/gluten or ash needs

ORDER-LEVEL CONTROLS

- Confirm mill, variety and lot
- Review visual grade and requested measurements
- Arrange cooking/sample approval when agreed
- Verify bag, markings and destination documentation

REGIONAL / REGULATORY CONTEXT

APEDA notes country-specific testing, registered-mill and inspection requirements for some destinations. Requirements are checked against the current buyer market.

FINAL GRADE, PACK, TESTS, DOCUMENTS, AVAILABILITY AND PRICE ARE CONFIRMED PER ORDER.

No halal, organic, non-GMO, laboratory-tested or similar claim applies without a valid certificate or lot-specific report.
